What’s been happening at the GAP?
We have had a great term! There were so many adventures and opportunities to discover all kinds of wonderful things. From colors, textures and smells to visiting different places around the world.
Our GAP Winter Social was a huge success. Thank you to all the families who participated and shared in the evening of fun.
Throughout the term, parents support has been essential to the success of the GAP. On behalf of the staff and administration, thank you for your continued support and we wish you and your family the very best in the New Year.
We especially want to extend a big, big thank you to GAP parent Casey McDaniel. Casey was our photographer for the GAP Winter Social and there are some beautiful memories of the children performing for their parents.

What is coming up at the GAP?
- We are looking forward to another exciting term in January 2009. Happy New Year to all our GAP Families.
- Many of our regular activities this term will continue next year, including, physical education, music, library visits, beach day and swim day. We may even have a few new activities to offer... we will keep you updated as they develop.
- Parents please remember when you return to GAP in the new year to ensure your child has every thing they need to start the year off (e.g. diapers, wipes, change of clothes, swim suits and towels, sunscreen, water bottle, etc - see GAP Participant Policy for detailed list).
