The luxury **Nutmeg Suite** [for a nonsmoking couple or one person only] is tucked away at the far end of Turtle Bay Villa, a few paces from the beach. It consists of a spacious, breezy double bedroom with four-poster bed, a large silent Hunter fan and optional AC. The kitchenette is off the bedroom, adjacent to the bathroom, and contains everything necessary for light cooking, but is unsuitable for long term tenants needing a full kitchen. There is a spacious bathroom en suite with separate shower, Jacuzzi bath, bidet & WC. The accommodation is to a very high standard and is ideal for short term tenants, holidays, honeymoons, and for those seeking a unique location away from the cares of the world. Off the bedroom is a spacious, secluded balcony with wonderful views across the bay to the distant Grand Etang Mountains. The suite has its own access to the driveway, garden and quiet beach, and is a short distance from the University Club with beach, pool and facilities.
