

Welcome to St. George's University,

The next step toward matriculating at St. George's University is to complete the registration process.

Everything you need to begin this process is included in this link

<http://etalk.sgu.edu/registration/index.htm>. We've also attached below a list of courses for which you are currently pre-registered. You will need to sign and return this form, in addition to the required forms included in the link above, to us in order to confirm your pre-registration. We would like these forms faxed to (631) 665-5590 or sent directly to your Admission Counselor at St. George's University, The North American Correspondence, One East Main Street, Bay Shore, New York 11706-8399.

To ensure that you include all the needed information, please use the following as a checklist:
